(Special to The Times-Dispatch.) Petersburg, Va., July 11.—The certificate of the Colonial Peanut Corporation was admitted to record in the clerk's office today. The object of the corporation is to deal in the peanut business in all its branches, including the raising and preparation for market. The capital stock is \$100,000 maximum, \$20,000 minimum. Officers for the first year are: president, Thomas R. Scott, of Richmond; vice-president, George C. Scott, of Henrico County; secretary and treasurer, Franklin W. Smith, of Petersburg. The above officers and W. A. Worth, of this city, compose the board of directors.

**Petitions Certified.**—The clerk of the Court of Chancery, William S. R., has certified to the Secretary of the Commonwealth, as required by the enabling act, the Petersburg petitions for a prohibition election. There was a total of forty-three petitions, containing in the aggregate 554 names.

**Colored Girl Missing.**—The police have been requested to look out for Murice Williamson, a fourteen-year-old colored girl of respectable parentage, who has been missing from her home since Thursday evening. The girl left a note saying "No one is responsible for my act, and may God forgive me." It is feared that the girl has become a temptress, and may have taken her own life.

**Change in Teachers.**—The school board has succeeded in securing the services of M. Martin, of Farmville, to supervise the work of the coming season during the absence of Superintendent R. R. Jones, who has been granted a leave of absence for one year. Mr. Martin will come to Petersburg on August 1. He is the head of the State Teachers' Association for the Fourth Congressional District, and for the past three years has been living in Farmville.

H. Augustus Miller has accepted the position of head of the English department in the high school. Mr. Miller is a graduate of Delaware College, and for the past two years has been at the head of the English department in the Millersburg University, of West Virginia. He will also coach the football, basketball and baseball teams of the high school, as he is highly recommended as an athlete.

**Leaves Hospital.**—Dr. B. Graham Stoner, who for the past year has been the resident physician at the Petersburg Hospital, has resigned his position to accept a position in the United States Navy. Dr. Stoner will leave next week to visit his relatives at Fort Rye, Maryland, and will report in Washington on September 1, when he will be assigned to duty. Dr. Stoner has made many friends during his short stay in this city.

**Painfully Injured.**—Captain John Sharp, an employee of the Seaboard Air Line Railway, suffered a severe fracture of his left ankle at McKenney, in Dinwiddie County, yesterday afternoon. He was brought to the hospital in this city. Captain Sharp's accident was the result of a fall from a flat car. He is a very large man, and when he fell he struck on his left foot, and his own weight was the cause of the fracture.

**Briefs and Personal.**—Among the speakers at the meeting of the Baraca and Philanthia Unions in this city on Thursday night, were William Guthrie and Misses Gladys Milworth, Sallie Hackett, and Margaret Hobson, of Richmond.

Mrs. Gertrude Irvin, of this city, is visiting Mrs. Pressly while in Atlantic City. Rev. F. C. Scott left this morning to spend his vacation with relatives in Orange County. Mrs. C. McD. Pope and family left this morning to spend the remainder of the summer at Virginia Beach.

## VIRGINIA BEACH CAMP FOR DISTRICT GUARD

Selection Made After Opening of Bids for Transportation to Several Sites.

OPENING DATE IS AUGUST 1

State of Virginia Places Site at Disposal of District of Columbia Militia—Details Carefully Looked After.

Washington, July 11.—The National Guard of the District of Columbia will go into camp this year at Virginia Beach, Va.

This was finally settled today at headquarters of the District of Columbia militia, when bids for the necessary transportation involved were opened. The camp will be officially known as a "Joint camp of instruction" with Company E, Twenty-eighth United States Infantry.

The period of the encampment will be from Saturday, August 1, to Monday, August 16, but, in order to take advantage of transportation facilities, the brigade, with the exception of the First Battery Field Artillery and the Naval Battalion, will leave Washington early Friday morning, July 31, by rail to Chesapeake Beach, Md., where the guard will board the steamer "Grandland" for Norfolk, Va.

The First Battery, Field Artillery, will go to the field artillery camp of instruction at Tobyhanna, Pa. The Naval Battalion is now on a cruise on board the battleship Rhode Island, bound for Bermuda.

**Train Direct to Camp.**—On arrival at Norfolk on the steamer "Grandland," the other commands of the brigade will disembark directly to the tracks of the Norfolk and Southern Railway and be transported to the camp site, about a mile south of the Virginia Beach summer resort proper. A railroad spur runs directly to the camp grounds, so that there will be no marching to get there.

The start is to be made from Chesapeake Beach about 5:30 o'clock A. M., which, the steamship company guarantees, will allow ample time for the National Guard to get to the camp site and get the canvas up before dark. The guard will have all day Saturday to complete the making of camp, and Sunday will intervene as a day free of hard work. The program of instruction will be started Monday morning, August 3.

The baggage, camp impedimenta and horses, accompanied by sufficient details, will go directly from Washington by steamer, in advance of the movement of the troops, and be on the ground when the brigade arrives, this being necessary because of the expected arrival of the troops so late in the day.

The return trip to Washington will be made in the same manner, as the one going to Virginia Beach. The steamer "Grandland" has a capacity of 2,500 men, although it is not expected that the various commands of the brigade will number more than 1,500 at the outside limit when they depart.

**Colonel Wilder to Command.**—The United States Army regulations provide that the command of a joint camp of instruction shall be vested in the senior regular army officer present.

## Splendid Medicine Stomach Trouble

I Suffered for Several Years Peruna Restored My Health

Mrs. Elizabeth Reuther, No. 503 Twelfth St., N. W., Washington, D. C., writes: "I am pleased to endorse Peruna as a splendid medicine for catarrh and stomach trouble, from which I suffered for several years. I took it for several months and at the end of that time found my health restored and have felt splendidly ever since. I now take it when I contract a cold and it soon rids the system of any catarrhal tendencies."

**Over Ten Years Ago.**—Although it was over ten years ago that I first gave you my testimonial, I am of the same opinion as when I wrote it, and give you the privilege to use it as you see fit. I still use Peruna when I think it necessary. I am recommending it to my neighbors whenever a chance occurs."

**I Still Praise Peruna.**—Peruna is undoubtedly a splendid medicine for the stomach. A great many people after years of searching for a remedy finally try Peruna and are cured. This remedy is especially helpful in cases of weakness of the stomach. Those who prefer to take tablets instead of liquid medicines can get Peruna Tablets.

**Peruna Owns Camp Site.**—This proposed big game preserve necessary to abandon, and it was finally "put up to" the National Guard of the District of Columbia, at a late day, to select its own camp site. The Virginia Beach site is the regular camp site of the Virginia National Guard, and is owned by the State of Virginia. The State authorities very kindly placed it at the disposal of the District of Columbia National Guard, and they have done all in their power to be of service in the premises. Sanitary officers of Virginia have made special inspections to see that the site is in good condition, the Virginia authorities have aided all the pools in the vicinity, and other details have been carefully looked to.
